Storm Safety Eyewear

Workers in the Storm® can expect extreme comfort with this face-flattering protective eyewear from Crews. Ratchet action temples combined with non-slip rubber head grips create a customized fit for virtually any head size. Wraparound lens constructed of lightweight, scratch resistant polycarbonate delivers advance visual acuity and protection. Meets the ANSI Z87.1 standard for optical clarity and impact resistance. Black Frame

- Part No. ST1130 Filter 3.0 **\$6.25** pair
- Part No. ST1150 Filter 5.0 **\$6.25** pair

Welding Goggles

Shade 5.0 polycarbonate lens that offer superior impact resistance over traditional glass plates. CR39 cover lenses to protect the filter against pitting and scratching. The flip-up styles have a polycarbonate safety lens to protect the wearer when the welding lens is in the raised position. Comfortable elastic straps are easily adjusted. Treated with our exclusive Dura-mass® scratch-resistant coating. Meets or exceeds ANSI Z87.1 safety standards

- Part No. 29050 **\$8.45** each

Welding Helmet

The Ultrashell welding helmet offers maximum protection during all welding activities. It is recommended for use in applications which involve a high level of radiation and considerable splashing during welding or prolonged welding activities. Large lightweight shell. Flame retardant and heat resistant 400°F (205°C). Fully adjustable ratchet headgear. Lift-front lens plate with a clear 55P cover plate. Filter plate must be ordered separately according to shade.

- Part No. A706 **\$33.50** each
- Part No. 55P Welders filter plate 2" x 4¼" Clear **\$0.65** each
- Part No. 50P/10 Welders filter plate 2" x 4¼" Shade 10 **\$1.00**
- Part No. 50P/11 Welders filter plate 2" x 4¼" Shade 11 **\$1.00**
- Part No. 50P/12 Welders filter plate 2" x 4¼" Shade 12 **\$1.00**

Headgears & Face Shields

Face shield windows are sold separately

- Part No. 101 Nylon Face Shield Bracket for Hard Hat
- Part No. 102 Aluminum Face Shield Bracket for Hard Hat
- Part No. 103 Ratchet Take-up Headgear
- Part No. 181640 Faceshield 8" x 15½" PETG **\$2.30** each

101
\$4.95 each

102
\$7.30 each

103
\$6.20 each

Economy Welding Gloves

Select Shoulder Russet Leather. Turned Leather Hem. Black Cotton Drill Cuff Lining

Part No. 4300B **\$3.35** pair

Red Ram™ Mig/Tig Welding Gloves

Grain Goatskin. Sewn with DuPont KEVLAR®. Gunn Pattern. Chrome tanned to assure softness and durability while resisting heat, sparks, slag and cuts.

Part No. 4840 **\$8.85** pair

Select Welding Gloves

Blue Select Shoulder Leather. Turned Leather Hem. Sewn with KEVLAR® thread.

Part No. 4500 **\$6.25** pair

Leather Work Gloves

Patch Palm with 2 1/2" Denim Cuffs

Part No. 1220DX **\$11.70** doz

foam lining

War Horse® Welding Gloves

Premium select side leather. Full sock lining, in-sewn at all finger tips. Foam lining. All seams fully welted. Turned leather hems. Flame-resistant sleeves. Extra-large die cut. Gunn Pattern. Sewn with super-strong, heat-resistant DuPont® KEVLAR® thread

Part No.. 4730 **\$10.85** pair

Full Feature Gunn Pattern. 2 1/2" Starched Safety Cuffs

Part No. 1200 **\$16.35** doz

Double Leather Palm. 2 1/2" Rubberized Safety Cuffs

Part No. 1211J **\$18.35** doz

Jacket

Flame retardant cotton jacket. Anodized front button snaps. Snaps on sleeves for a snug fit. Large inside pocket. Length: 30 inches
Sizes: M, L, XL, XXL
Part No. 39030 **\$19.65** each

All flame retardant cotton apparel is made of 9 ounce green cotton specially treated to be flame retardant and flame resistant. 100% cotton is cool, comfortable and launderable. These products provide economical protection from sudden flame exposure, light molten splash and sparks.
USA treated flame retardant cotton fabric • Anodized button snap closures • Launderable: Maintains flame resistance up to 50 home washings or 25 commercial washings up to 165 degrees • Meets all requirements of NFPA-701 and ASTM-D6413 specifications for flame retardancy

Bib Apron

Flame retardant cotton bib apron with adjustable waist and shoulder strap. Width 24". *Shown with Snap Sleeves (39518).*
Part No. 39136 36" Bib **\$10.00** each
Part No. 39142 42" Bib **\$12.10** each

Cape

Flame retardant cotton cape. Open back design. Soapstone shoulder pocket.
Sizes: M, L, XL, XXL
Part No. 39100 **\$16.15** each

Snap Sleeves

Flame retardant cotton sleeves with elastic top and anodized button snap at wrist. 18 inches.
Part No. 39518 **\$6.15** pair

Bib

Flame retardant cotton bib for 39100 cape. Open back design. Soapstone shoulder pocket.
Part No. 39114 14" **\$5.35** each
Part No. 93120 20" **\$6.15** each

Elastic Sleeves

Flame retardant cotton sleeves with 2 1/4" heavy duty elastic bands at both ends of the sleeve. 18 inches.
Part No. 39418 **\$6.15** pair

All **RED RAM** leather apparel has been chrome tanned to assure softness and durability while resisting heat, sparks, slag and cuts. All seams are double lock stitched and sewn with DuPont KEVLAR®!

Red Ram Leather Jacket

Riveted in all major stress points. All button snaps are black anodized to prevent arc flashback. Leather reinforced straps on all buttons. Large inside pocket. Soapstone pocket on both sleeves. Take up snaps for waist and adjustable snaps at wrist for a perfect fit. Sizes M, L, XL, XXL

Part No. 38030 **\$77.70** each

Red Ram Leather Cape

Riveted in all major stress points. All button snaps are black anodized to prevent arc flashback. Leather reinforced straps on all buttons. Adjustable snaps at wrists. Soapstone pocket on both sleeves. Cape Sizes: M, L, XL, XXL

Part No. 38100 **\$48.40** each

Red Ram Bib Apron

Riveted in all major stress points. Large front chest pocket. "D" rings to hold accessories. Crossed back straps with a quick release buckle. Width: 24 inches. Length: 42 inches

Part No. 38142 **\$30.45** each

Red Ram Leather Rod Holder

Reinforced bottom with a spring clip.

Part No. 38525 **\$6.55** each

Red Ram Shoe Protector

Adjustable, one size fits all.

Part No. 38505 **\$12.90** pair

Red Ram Leather Sleeves

Protects above the elbow down to the wrist. Adjustable snaps at both ends of the sleeve for a snug fit.

Part No. 38418 **\$19.75** pair

MOLDEX
DURA MESH SHELL

N99 Premium Particulate Respirator

For most welding applications. Exhalation valve reduces hot air build up. Dura-Mesh® shell resists collapsing in hot, humid environments. Meets heat and flame resistance in accordance with ANSI/ISEA 110-2003 Section 7.11.1. NIOSH certified to have filter efficiency of 99% or greater against particulates free of oil. 10 Respirators per box

Part No. 2310N99

\$39.10 box of 10

3M

3M™ Particulate Welding Respirator 8512, N95

Workplace applications include welding, brazing, soldering, torch cutting, and metal pouring, as well as grinding, sanding, sweeping, bagging and other dusty/hot operations. It features the 3M™ Cool Flow™ Exhalation Valve, cake-resistant filter media, nose foam, and fully adjustable noseclip and straps.

Part No. 8512

\$50.50 box of 10

NORTH Safety Products

CFR-1 Welding Respirator. Reusable, particulate welding respirator.

Provides protection from particulates and is ideal for dusty environments such as grinding, sanding and sweeping. Stainless steel mesh cover protects the user from heat, sparks and slag. Filters are replaceable saving money and reducing waste. Soft thermoplastic seal provides maximum comfort, exhalation valve keeps filter drier for cooler & easier breathing. Includes parking mechanism. The filter does not touch the face, keeping it cooler and drier than ordinary dust masks.

Part No. 4200MW (Medium)

\$24.95 each

4200LW (Large)

3M

3M™ Particulate Respirator 8514, N95, with Nuisance Level Organic Vapor Relief

This respirator is designed for applications such as welding, soldering and other operations in which metal fumes are present, including those present with ozone* and nuisance levels** of organic vapors. It can also be used in grinding, sanding, sweeping, bagging and other dusty/hot operations. It is especially well-suited for foundry operations, lab settings, undercoating and petrochemical

Part No. 8514

\$57.25 box of 10

N95 Non-Oil, Replacement Particulate Filters for CFR-1.

Part No. 42N95

\$14.95 box of 20

3M

3M™ Particulate Respirator 8210, N95

Is designed to help provide comfortable, reliable worker protection against certain non-oil based particles. Its lightweight construction helps promote greater worker acceptance and comfort and increased wear time.

Part No. 8210

\$14.25 box of 20

3M™ Speedglas™ Flex View with Adflo™ System

3M has reinvented the powered air-purifying respirator (PAPR) for welders. The result is 3M™ Speedglas™ with Adflo™ System: a lightweight, compact, all-in-one system. Its exclusive “stackable” configuration means that the Adflo cartridge can be “stacked” onto the high efficiency (HE) particle filter for additional protection against organic, sulfur dioxide, chlorine, and hydrogen chloride vapors.

In effect, it's two systems in one, allowing increased user flexibility to adapt to changing welding applications. And you can selectively replace either the particle filter or the Adflo OV/SD/CL/HC cartridge as needed: you don't have to change both filters at the same time! The Adflo system has no external batteries, no battery cables, and no sharp corners. Its slim profile is designed to go into tight spaces. And it's designed to be ergonomically compatible for welders.

New “stackable” configuration allows welders to quickly add a vapor cartridge to the high efficiency particle filter.

You can download the Complete Speedglas Catalog from our website. If you prefer the paper version, please call us and we will gladly mail it to you.

*Speedglas with Adflo Systems starting at **\$1159***
